Purposes of Processing Personal Data and Legal Grounds

Your personal data may be processed for the below mentioned purposes ("**Purposes**") in accordance with the data processing conditions and within the scope of the purposes stated in Article 5 of the Law.

Based on the legal reason that it is clearly stipulated by law and that it is mandatory for the data controller to fulfill its legal obligation:

- Within the scope of exercising your rights specified in Article 11 of the Law regarding your personal data processed by our Company, evaluating your applications that you have submitted to the Company by filling out a complaint form and finalizing them in accordance with the legislation and taking the necessary actions within this framework;
- Keeping the records of the applications you have made to our Company during the general statute of limitations in order to constitute evidence in possible disputes that may arise in the future; and
- Fulfillment of official institution requests and providing information to authorized institutions due to legislative requirements.

Based on the legal reason that data processing is mandatory for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the data subject;

- Follow-up on and performance of legal matters.

To Whom and What Purposes the Processed Personal Data May be Transferred

Your personal data collected in line with the fulfillment of the above-mentioned Purposes may be transferred in accordance with the rules regarding the transfer of personal data specified in Article 8 of the Law and in line with the data processing conditions set forth under Article 5 of the Law, to our lawyers and consultants from whom we receive legal consultancy services; to our suppliers related to your application; to the relevant parties to whom personal data is transferred in accordance with Article 11(1)(f) of the Law limited to the notification to be made based on your request of the correction/destruction of data, to the legally authorized public institutions, including the Personal Data Protection Authority and legally authorized private persons for the establishment, exercise and protection of a right and for the fulfillment of our legal obligations.

Method and Legal Grounds for Collecting Personal Data

Your personal data is collected through the application form for data subjects, petitions and e-mails you submit electronically and physically within the scope of fulfilling the above-mentioned Purposes.

Data Subject's Rights Specified under Article 11 of the Law

We hereby declare that as personal data subjects, you are entitled to the following rights, set forth under Article 11 of the Law:

- To learn whether your personal data are being processed;
- To request information if your personal data have been processed;
- To learn the purpose of the processing of your personal data and whether they have been used accordingly;
- To learn which third parties domestic or abroad your personal data has been transferred to;
- To request rectification in case your personal data has been processed incompletely or inaccurately and to demand the operations in this regard be reported to third parties your personal data has been transferred to;
- To demand the erasure or destruction of your personal data in the event that the reasons for the processing no longer exist even though it was processed in accordance with the Law and other relevant provisions and to demand the operations in this regard be reported to third parties your personal data has been transferred to;
- To object to negative consequences to you that incur as a result of analysis of the processed personal data through solely automatic systems; and
- To demand compensation for the damages that you have suffered as a result of an unlawful processing of your personal data.

In case you convey your requests concerning your rights listed above to our Company, depending on the nature of your request, your application will be concluded as soon as possible, within 30 days at the latest and in principle, free of charge. However, if the process requires additional costs, a fee may be demanded according to the tariff determined by the Personal Data Protection Board.
